

BIO•TOWN, USA

BioTown, USA Extreme Energy Makeover Day

Reynolds, Indiana

Agenda

1 p.m. Extreme Energy Makeover Day Kickoff and Vehicle delivery

Lt. Governor Becky Skillman and Agriculture Director Andy Miller

Center of town, St. Rt. 43 and U.S. 24

Lt. Governor Skillman to draw the winners of 20 GM flex-fuel vehicles. The Reynolds' town vehicles – operated on biofuels – will be delivered.

Announcement of special pricing on flex-fuel vehicles for those living in Reynolds and Honeycreek Township – the 47980 zip code. Demolition will begin to make way for town's "BioIsland" at the local BP gas station.

2 p.m. to 8 p.m. GM Flex-Fuel Showcase and a Biofuels Open House

White County Fairgrounds, Goat Barn and Show Arena

In a Fall festival setting, guests of all ages will be able to stroll through the Biofuels Open House to pick up literature, visit with industry leaders and view colorful displays that tell the story of renewable fuels. They can also see the latest flex-fuel vehicle models and learn about special pricing offers.

2:30 p.m. Alternative Fuels 101 Workshop

White County Fairgrounds, 4-H Exhibition Building

Presented by the Central Indiana Clean Cities Coalition, Indiana Soybean Board and Indiana Corn Marketing Council

Have you ever wondered what the future of energy will look like? Will there be enough fossil fuels to power the next generation? How dependent are we on foreign oil? Do I have options today when it comes to filling up my car? Can I afford alternative fuels? Can alternative fuels deliver power and performance? How can my business or community take advantage of biofuels? For answers to these questions and many more, don't miss this free one-hour workshop!

5 p.m. to 8 p.m. Community Hog Roast

White County Fairgrounds, Show Arena

Celebrate Extreme Energy Makeover Day with a community Hog Roast and free entertainment.
